***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 9/19/07 has been entered.

**EXAMINER'S AMENDMENT**

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Joseph Kolasch (Reg. No. 22,463) on January 3, 2008.

3. The application has been amended as follows:

6. (Currently Amended) A printer comprising a control unit including a memory in which printing parameters pertaining to a specific function component of the printer ~~can~~ be are stored, wherein the control unit includes an Internet client for connecting to a URI at which the printing parameters are stored in a storage device, and for loading the printing parameters into the memory, wherein the Internet client is arranged to initiate a downloading of new printing parameters from said URI each time a predetermined time interval has ~~elapsed~~ elapsed, wherein the printing parameters stored in the memory are

individually determined for each production series of functional components on the basis of measurements performed on samples of the functional components for each production series, and the printing parameters for different production series are stored separately in the storage device.

Claim 14 (Cancelled).

## **ALLOWANCE**

### ***Allowable Subject Matter***

4. **Claims 1, 2, 4-8, 10-13 and 15-19** are allowed. These claims will be renumbered as 1-16.

5. The following is an examiner's statement of reasons for allowance:

The prior art of record do not teach or suggest the claimed limitation of downloading, from said URI, a new set of printing parameters into the control unit of the printer, wherein the set of printing parameters stored in the memory are individually determined for each production series of functional components on the basis of measurements performed on samples of the functional components for each production series, and the printing parameters for different production series are stored separately in the storage device. Please refer to page 7 of the Applicant's remark filed on 9/19/07.

The features identified, in combination with other claim limitations, are neither suggested nor discussed by the prior art of record.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

**Contact Information**

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to CHAN S. PARK whose telephone number is (571) 272-7409. The examiner can normally be reached on M-F 8am-4:30pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Moore can be reached on (571) 272-7437. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
